MESSAGE: Mark,  
 I want to thank you and all of your staff for an amazing experience!  
 I am so pleased with the roof! I never would have considered such a bold color choice, but it is gorgeous! All evening people were stopping and commenting on the roof! Your entire staff was kind and helpful! Our home is transformed! We didn't just get a roof, we got a piece of artwork! I especially appreciated how kind everyone was, and how your employees worked so well together. It is obviously a great company to work for. The pride shows in their work! Thank you again! I printed out pictures of our home to show everyone! I am passing out your business cards as well. I hope many more families can enjoy your product and workmanship! Thank you!
